

Acquainted With Grace

Verse 1

He was acquainted with the splendor of Heaven
Surrounded by the angels who worshipped Him
Yet He longed to have someone He could give His love to
So in His own image, He created man
One day man failed Him in the garden
The fellowship was broken, because of sin
From the beginning the Father knew what He would do
He'd send His own Son, to bring us back to Him

Chorus

He became acquainted with grief
So I could be acquainted with grace
He suffered like no other did
The Lamb of God, He knew no sin
He was acquainted with grief
So I could be acquainted with grace

Verse 2

He came unto His own, but was rejected
The Son of God had nowhere to lay His head
Brought before the mob to be condemned or set free
In the end they chose a criminal instead
He walked the lonely road to Golgotha
The shame and reproach, my Savior bore
He could've walked away, but in love He took the cross
For I was the one, He was dying for

Amazing Grace how sweet the sound
That saved a wretch like me
Oh, He suffered like no other did
The Lamb of God, He knew no sin
He was acquainted with grief
So I could be acquainted with grace
God's Grace
