

Halfway

Chorus

He didn't halfway save me
He didn't halfway deliver me
He didn't halfway set my feet upon the rock to stay
So I won't halfway praise Him
I won't halfway lift Him up
With all that is within me
I will bless His holy name

Verse 1

Totally, entirely, absolutely all
He gave His life a sacrifice to save me from the fall
I'm a witness of the deepest love this world has ever seen
So how can I not testify of all He's done for me

Chorus

Verse 2

I'll offer Him all that I am and all I'll ever be
My hopes and my dreams everything are His eternally
My only goal is that my soul would gladly pay the price
And give Him praise all my days, for this abundant life

Bridge Twice

I'll give Him all the praises
I'll give Him all the honor
I'll give Him all the glory
For He deserves it all

Second Chorus

So I won't halfway praise Him
I won't halfway lift Him up
With all that is within me
I will bless His holy name

Repeat Second Chorus
