

He's All You Need

Verse 1

He's all I need,
He's all I need,
Jesus is all I need;
I lift my cup,
He fills it up,
Jesus is all I need.

Chorus

When I must face the judgment day,
For me He'll intercede;
Heaven will join my praise and say,
"Jesus is all I need."

Verse 2

He is waiting to uphold you when a heartache brings you low,
When nothing seems to comfort, word nor deed; (word nor deed)
God will raise you and sustain you, light your pathway as you go,
When you've no one else to turn to, you will find He's all you need.

Chorus 2

He's all you need when the trials of life beset you (trials may come)
He's all you need when it seems you can't go on; (still press on)
He's all you need, don't despair, learn to trust Him (trust His love)
When you've no one else to turn to, you will find He's all you need.
