

Tell Somebody

Chorus

Tell somebody, tell somebody about Jesus
How he set you free,
Gave you the victory
Tell somebody,
Tell somebody about Jesus.
Tell somebody about goodness of the Lord

Repeat

Verse 1

Go and tell somebody
How you were sick and He made you well.
Heal your feeble body—not a word you can tell.
Tell them how you didn't believe,
And he made a believer out of you.
Now you can tell the whole wide world
How he brought you through.

Chorus

Verse 2

Like The Woman in the bible days
Who met Jesus at the Well
She thought she was meeting a stranger
But all about her life he did tell
She ran back to town
She's talkin' 'bout the joy she found
So if the Lord does something for you
You better tell how he brought you through

Bridge:

Let others see Jesus in you, Let others see Jesus in you,
Keep telling the story, Telling the story...
