

Broken Hallelujah

Verse 1

With my love and my sadness, I come before You Lord
My heart's in a thousand pieces, Maybe even more
Yet I trust in this moment, You're with me somehow
And You've always been faithful, So Lord even now

Chorus

When all that I can sing, is a broken hallelujah
When my only offering, is shattered praise
Still a song of adoration, will rise up from these ruins
And I will worship You, and give You thanks.
Even when my only praise, Is a broken hallelujah

Verse 2

Oh Father, You have given much more than I deserve
And I have felt Your hand of blessing on me at every turn
How could I doubt Your goodness, Your wisdom, Your grace
Oh Lord hear my heart, In this painful place.

Chorus

When all that I can sing, is a broken hallelujah
When my only offering, is shattered praise
Still a song of adoration, will rise up from these ruins
And I will worship You, and give You thanks.
Even when my only praise, Is a broken hallelujah.
Hallelujah, hallelujah, hallelujah

Bridge

I lift my voice (Hallelujah)
Your spirit moves (Hallelujah)
I raise my hands (Hallelujah)
I reach for you (Hallelujah)

Chorus

'Cause all that I can sing is a broken hallelujah
When my only offering is shattered praise
Still a song of adoration, will rise up from these ruins
And I will worship You and give You thanks
Even when my only praise is a broken hallelujah.
Hallelujah
