

He'll Find A Way

Verse 1

At times the load is heavy
At times the road is long
When circumstances come your way
And you think you can't go on
When you're feeling at your weakest; Jesus will be strong
He'll provide the answers when you found all hope is gone
He'll find a way

Chorus

For I know that if He can paint a sunset and put the stars in place
I know that He can raise up mountains and calm the storm-tossed waves
And if He can conquer death forever and open Heaven's gates
Then I know for you He's able to see you through
He'll find a way

Verse 2

At times your heart is breaking, with a pain that's so intense
And all you hold are broken pieces to life that makes no sense
He wants to lift you up and hold you and mend each torn event
He'll pick up the pieces that you thought had all been spent
He'll find a way

Chorus Repeat twice

No "He'll find a way" on second chorus

He'll find a way
