

I'm Reminded God Is Good

Verse 1

Every time I'm blessed to see a flower, springing up from a seed
That's been planted in the earth at early spring,
Every time I'm blessed to see the sunrise of another morning
And hear the song the tiny bluebird sings,
When I consider how God carved the mountains out with His own hands,
And painted them with colors of the woods,
Nature in it of itself seems to share a message,
That reminds me that God I serve is good!

Chorus

I'm reminded God is good!
Even though I fail to thank Him like I should.
I'm reminded that He cares, when He hears and answers prayer,
And makes a way for me just like He said He would
Even when He sends the rain, and my heart is filled with pain,
He'll be working all things for my good.
No matter if I'm basking in the sunlight on the mountain,
Or I'm walking through the valley, God is good!

Verse 2

Every time I'm blessed to feel the warm embrace of those I love,
And hear them say they love me too, my heart thrilled.
I'm reminded of a greater love, extended from my God above,
When He sent His Son to die on Calvary's hill.
Oh, the precious blood that Jesus said that day,
Has washed all my sin away, Jesus did what no mortal man could.
By laying down his sinless life, He became the supreme sacrifice,
And that assures me that my God is good.
