

I'm Still Amazed By Grace

Verse 1

A blind man roaming aimlessly in darkness.
A restless soul tossed like a troubled sea.
A prisoner held fast in chains of bondage.
These all describe the man I used to be.
But the Savior in mercy to Calvary did go,
Where He laid down His life for my sin,
And when I think of His Grace and the price that He paid,
I stand in awe of Him.

Chorus

I'm still amazed by grace,
That saved a wretch like me,
And I still can't comprehend that God became a man, and gave Himself for me.
And when I think about where I was and where I'd be today, had Jesus not taken my place,
It's so hard to believe that He'd love one like me,
I'm still amazed by grace.

Verse 2

The precious Lamb of God has bought salvation,
And it's offered to whomever will believe,
And all who come are made a new creation,
Through the sacrifice He made at Calvary.
For there on the cross Jesus suffered and died,
And He laid down His life for all men,
And when I see just one come by faith to God's Son,
I sing it over again.
