

In Everything Give Thanks

Verse 1

There's food upon your table,
And shoes upon your feet,
Every night when you lay down,
There's a bed in which to sleep.
Your life is filled with faithful friends, and a loving family.
God's blessings are so many, look around and you will see.

Chorus

In everything give thanks, for the Lord has been so good,
He has given greater blessings, than you ever dreamed He could,
There is matchless love and wondrous grace, endless mercies every day.
His unseen hand has lead you all along life's way,
So child of God, in everything give thanks.

Verse 2

On mountains or in valleys,
No matter where you trod,
Every good and perfect gift
Is sent to us from God.
So when your soul is weary,
And it seems your heart will break,
Remember God has promised you
That He would not forsake.

Bridge

Thank you, Lord, for saving my soul,
Thank you, Lord, for making me whole.
