

I've Been Redeemed

Verse 1

The life that I was living was filled with heartache and pain
I was lost and had no fortune
There was nothing but my name
I was in the lowest valley bound by sin and could not see
Then King of Glory touched me
Praise the Lord He set me free

Chorus

I've been redeemed, I've been redeemed
By His blood I've been redeemed
He saved my soul and He made me whole
I've been redeemed
I was sinking in despair
He heard my cry, He heard my prayer
He rescued me and He set me free
I've been redeemed

Verse 2

Each day I live for Jesus it gets sweeter as I go
I'm so glad He lives inside me
I'm not the same as before
He has changed my life completely
He has filled me with His love
Now I live with Him forever in my mansion up above
