

My, My, My

Chorus

My, my, my what a joy to serve my Jesus
Oh, that I could explain the way I feel
Rejoicing in unspeakable joy and full of glory
It's amazing, but praise God I know it's real

Verse 1

When I received salvation, I felt such jubilation
Since Jesus' blood washed all my sins away
He gives me strength and power to spend the midnight hour
With all my heart and soul I now am saved

Chorus

Verse 2

Well Jesus is my Savior
He shows me love and favor
He's my Redeemer, Master, Lord, and King
Now I here I tell my story
I give God all the glory
He is my Sword, my Shield, my everything
